ALCOHOL	15%
CASES PRODUCED	415

WINEMAKER Craig Becker

TASTING NOTES Our 2010 Kelleher "Brix Vineyard" Cabernet Sauvignon has a deep dark ruby color with bright fruit forward aromas of Bing cherry, spice chocolate and coffee. The tannins are smooth yet firm, which makes this wine wonderful to enjoy now but know that it, will age and mature beautifully. The wine is balanced yet concentrated with a smooth richness on the palate.

Grapes are cold-soaked in stainless steel tanks and then fermented with wild yeast. Once fermentation is complete, the wine is warmed up to 100 degrees and then pumped over once a day for five days. The tank is then drained over night and transferred to oak. The wine is lightly fined with 1 egg white per barrel.
